

SCHOOL BOARD CANDIDATES EDITION

VOTER'S GUIDE

OREGON FAMILY COUNCIL ★ SPECIAL ELECTION ★ MAY 18, 2021

Please note that our endorsement guide is not an exhaustive list. We sent questionnaires to over 120 candidates in school districts across the state, and the endorsed candidates are those who chose to complete the survey and whose responses align with the principles of Oregon Family Council. Simply because a candidate is not listed does not automatically indicate they do not hold the same values as those endorsed.

How to Use This Voter's Guide

For the May 18th Special Election, several school board positions will likely appear on your ballot. While oftentimes overlooked, these school board races are critical, for the individuals who win will have a direct impact on our children and families.

That is why we are providing a list of candidates Oregon Family Council has endorsed. These endorsements were given based on candidates completing our questionnaire and their commitment to the following issues:

- Support for fully re-opening schools
- Support for school vouchers and school choice
- Support for parental consent in their child's medical decisions
- Support for protecting students from radical curriculum that seeks to indoctrinate

Many choose to sit out these smaller elections, but that makes your vote all the more powerful. Please take an important stand for Oregon students and families by filling out your ballot today.
